GRILLA SANDWICH GRILLER

Grill-a-cious sandwiches at your fingertips! There is no such thing as too many sandwiches! They make for easy, versatile, on the go snacks and offer endless possibilities. With Hafele's New Sandwich Griller – Grilla, you can take your sandwich game to a whole new level

Get creative with this compact machine that not just allows you to prepare a wide variety of sandwiches but also enables you to grill and cook anything you want from tikkas to giant stuffed burger in a matter of minutes.

GRILLA SANDWICH GRILLER

180° Openable Grill Plate: It helps expand the grilling space by becoming completely flat to enable you to grill and cook anything you want from sandwiches up to 4 regular sized ones at a time in a matter of minutes.

Non-Stick Grill Plate: Ensures that the food doesn't get stuck to the surface with the help of double-layered water based non-stick coating. The ribs on these plates also ensure a crispy cooking result..

Adjustable Hinge: Enables you to prepare anything with ease, from thin paninis to triple layered sandwiches loaded with numerous ingredients.

Detachable Oil Drip Collector Tray: Collects the excess butter, oil and breadcrumbs, left behind after cooking, thereby easing out the cleaning process.

Temperature Control Knob: Allows you to customise and set the required temperature to help you prepare your food as per your preference

Power Indicator: Informs you about the progress of your food, preventing it from getting overcooked or burnt

Cool Touch Handle: Makes sure that your hands don't get burnt while handling the machine, thanks to its ergonomic design.
